

FITZMORRIS SAYS HE INTENDS TO TALK

CHICAGO CHIEF OF POLICE GUILTY OF CONTEMPT OF COURT

OFFICIAL IS IN REBELLIOUS MOOD

Judge David Sentences Him to Pay Fine of \$100 and Serve Five Days in Jail—Chief Says That He Will Talk All He Likes Jail or No Jail—Issues a Signed Statement

(By The Associated Press)
CHICAGO, Sept. 20.—Charles Fitzmorris, chief of police, today was found guilty of contempt of court because of interviews criticizing Judge Joseph David of the superior court and given his choice of a \$100 fine and five days in the county jail or no fine and six months in jail.
The finding was made by Judge David, who suspended serving of the mittimus for sixty days however, to give Fitzmorris' attorneys time to prepare an appeal.
"It is not my desire actually to confine this man in jail until a higher court has passed on my decision," announced Judge David. The case arose over Fitzmorris' criticism of Judge David's conduct of certain angles of the case of Carl Wanderer, found guilty of murdering his wife, her unborn baby and a ragged stranger.

KU KLUX KLAN MAY BE INVESTIGATED BY GOVERNMENT

Daugherty Confers With Bureau of Investigation Head

WASHINGTON, Sept. 20.—The department of justice is considering whether federal action shall be taken in connection with the activities of the Ku Klux Klan, Attorney General Daugherty said today.

Mr. Daugherty said he would confer tomorrow with Director Burns of the bureau of investigation, who has been directed to look into the question, and, if the facts warranted, would seek a grand jury investigation of the Ku Klux Klan in some district and urge indictment against any members if justified.

The attorney general discussed the matter today with District Attorney Hayward of New York and several of the assistant attorneys generals but said that no conclusion as to whether the federal government should take part in the Ku Klux question has been reached.

Any federal action against the Klan, Mr. Daugherty said would probably be under some statute covering conspiracy but the legal problem involved, he added, was somewhat complex. On its face, he explained, the literature of the Klan was not in violation of the law.

What was to be determined, he explained, was what went on behind the scenes—"the wink and the nod that turns the trick."

The government, Mr. Daugherty said, is not to be run or intimidated by any man or organization behind a mask.

The activities of the Ku Klux Klan, he added, would be given the most careful consideration before any federal policy was decided.

HOLD DIRECTORS ARE RESPONSIBLE

JOLIET, Ill., Sept. 20.—Directors of the State Bank of Crete, Illinois, which failed about three years ago after its cashier had lost about \$300,000 speculating in the Chicago Board of Trade were held liable for the \$400,000 of deposits in a decision today by Judge Frank L. Hooper of the circuit court. The suit was filed by Henry W. Ohlendorf, a depositor. Judge Hooper held that the directors had been negligent in their duty and consequently were indirectly responsible for the loss which they must make good under the judge's ruling.

The directors were held liable individually and collectively. The bank's auditing and finance committees, composed of directors who are liable, the decision held.

EARLY RETURN TO LONDON PLANNED BY LLOYD GEORGE

Reply to Eamonn DeValera is Likely to be Delayed

(By The Associated Press)
LONDON, Sept. 20.—Premier Lloyd George's reply to Eamonn DeValera probably will be delayed until after a conference with the ministers at G. P. O. on Thursday, and it seems certain that there will be no Irish peace conference at Inverness for, according to the latest reports, the premier has decided to return to London at the end of the week if his health is sufficiently restored, in which case the next formal cabinet council will be held in London.

Sir Hamer Greenwood, chief secretary for Ireland, left today for Galway, indicating that Ireland will be the subject of the conference on Thursday. None of Mr. DeValera's previous communications with the premier has provoked such divergent opinions as his latest telegram. Everything considered it is not unlikely that the prime minister will even delay his reply until the whole cabinet has met here. The parliament of North Ireland met today the date originally prepared for the Inverness conference and the speech of Sir James Craig, the Ulster premier showed that Ulster is no better disposed toward the peace conference than before.

Needed at Home

The decision of Mr. Lloyd George not to go to Washington has revived gossip of a coming general election the idea being that there are now only two alternatives, a peace conference or an appeal to the country, either of which since the conference has been so greatly delayed would necessitate the premier's presence in England in November. The government is likely to find itself surrounded with difficulties, not only in the shape of unemployment, the anti-waste campaign and similar matters at home, but also abroad.

The reparations questions with Germany involving possible friction with France combined with the continued depreciation of the mark, may necessitate further meetings of the supreme council. New difficulties with Russia seem to be brewing, all of which may require the premier's personal attention and incline him to seek a new mandate from the country on a question on which he might hope to secure a certain majority.

Latest reports from Gairloch tonight say that a ministerial conference may be held tomorrow and there are also rumors that Mr. DeValera has expressed willingness to withdraw his claim that the Irish delegates must go into the conference as representatives of an independent and sovereign state.

BAR MAIDS MUST QUIT JOBS

Minneapolis, Minn., Sept. 20.—Bar maids employed in soft drink establishments here must quit their jobs before tomorrow night under the terms of an ultimatum issued today by A. C. Jensen, superintendent of police. The order follows institution of a drive on vice conditions.

WITNESSES ASKED ABOUT LIQUOR AT ARBUCKLE PARTY

Examine Seven to Find Where Liquor Came From

(By The Associated Press)
SAN FRANCISCO, Sept. 20.—Even witnesses were questioned today by the federal grand jury in an attempt to learn the source of the liquor consumed at the affair in Roscoe (Patty) Arbuckle's hotel suite here after which followed the death of Miss Virginia Ruffe and Arbuckle's arrest on a charge of murder. No indictments will be returned until all of the federal departments co-operating in the case have completed their several investigations announced Robert H. McCormack assistant United States attorney in charge of liquor prosecutions who laid the matter before the grand jury. The investigation will be resumed by the grand jury Friday, he said.

Today's witnesses were Mrs. Bambina Maude Delmont, Miss Alice Blake, Miss Zeh Prevost and Miss Mae Taube, who were at Arbuckle's party, John P. Pickett, a bell boy at the hotel, and Miss Josephine Kessler, a hotel maid. Joyce Clark another member of the party was subpoenaed but was not called into the grand jury room.

A telegram to Lowell Sherman another guest at the party, was sent today to Chicago by District Attorney Matthew A. Brady asking Sherman to come to San Francisco to give his version of the affair. District Attorney Swann of New York also was notified by telegram to intercept Sherman as he arrived there and keep him under surveillance. Sherman was subpoenaed as a grand jury witness before he left Los Angeles for Chicago.

The authorities announced today that they believed May Parsons another woman who was in the Arbuckle party had been located at Fort Worth, Texas. Chief of Police O'Brien asked the Fort Worth Police to detain her.

Says He's Not Fugitive

Chicago, Sept. 20.—Lowell Sherman, declared here today that he was not a fugitive from justice and that he could return to California at any time without fear of consequence to himself.

Sherman stopped in Chicago for a short time today en route to New York to visit his wife. He declared he had given depositions regarding the "death party" in California and said he did not understand why the district attorney in San Francisco wished to question him.

"It was not an extraordinary wild party," Sherman explained here today. "It was just one of that kind of gatherings that occur often among good friends. Virginia said she and the others conducted themselves properly. The yarn that Arbuckle wore only his pajamas is wrong and so is the story that he carried Virginia into that room."

"Arbuckle is the only person who knows what happened in that room and he ought to be given a chance to tell his story before the world turns against him. I'm sure he will be exonerated and that he will 'come back'."

WILL WELCOME INVESTIGATION

NEW YORK, Sept. 20.—The Knights of Columbus are ready for investigation by any lawfully constituted authority. Supreme Secretary William J. McGinley declared today in a statement dealing with adoption yesterday by the city council of Atlanta, Ga., of resolutions calling on newspaper investigations of alleged un-American investigations to include the K. of C.

"Any man," said Mr. McGinley, "who states that the K. of C. is unpatriotic and un-American must have been emulating Riva Van Winkle during the war. To base a demand for investigation on the bogus oath attributed to the K. of C. indicates the intelligence of the men voting for it."

"Our record is not only an open book, but a book written in plain English so that all may understand. We have no esoteric language with queer combinations of consonants to mystify anybody."

NEGOTIATE SALE OF WATER CERTIFICATES

Chicago, Sept. 20.—Negotiations for the sale of \$1,500,000 water certificates to be repaid by the city in 1925 were begun today by City Controller Harding after action by the city council authorizing them.

An effort will be made to sell them over the counter at the controller's office in denominations of \$100, \$500 and \$1,000.

BRIEFS WILL CONTINUE

(By The Associated Press)
CASHVILLE, Wis., Sept. 20.—Two of Cashville's oldest residents, Mr. and Mrs. Lou Okey, died Sunday only a few minutes apart. A double funeral was held today with interment in a single grave.

DAVENPORT, Ia., Sept. 20.—

Albert Henry, 20, was arrested here yesterday on the eve of his marriage to a Davenport girl, charged with the murder of William (Crisp) Hambleton, 62 years old taxi-cab owner of Centerville, Iowa. Hambleton was slain on a country road several miles east of that city and his body was flung from his taxi-cab according to the police.

JANESVILLE, Wis., Sept. 20.—For the first time in its history, a jury commissioners of Rock county have placed the names of women on the jury list for the October term of court. Twenty-five names have been listed, including some of the most prominent in Janesville and county. All have expressed a willingness to serve.

DIXON, Ill., Sept. 20.—Sheriff Banning of Oregon and a posse of Rochelle police and citizens have surrounded a corn field near Steward in Lee county in which it is believed they have surrounded a man who last night entered four stores in Rochelle and stole about \$150 in cash and clothing and hardware valued at about \$500.

MASON CITY, Iowa, Sept. 20.—What is believed to have been the earliest snow in history for Iowa, fell here yesterday. For a few minutes large flakes dropped on the roofs of the taller buildings of the city and a few of them even made their way to the streets. Residents were busy last night dusting off their overcoats and cleaning out their furnaces but the mercury mounted to 83 degrees at noon today.

JEFFERSON CITY, Mo., Sept. 20.—Governor Hyde today announced he would appoint his brother, Ben C. Hyde of Kansas City, state superintendent of insurance. He explained his brother appeared to be the only man the various insurance interests in Missouri could agree on for the position. The appointment will be made in several weeks, it was said.

NEW YORK, Sept. 20.—At least 20,000 gallons of whisky have been illegally withdrawn by distillers in various parts of the country as the result of the theft of permit blanks here, prohibition officers said today. The stolen blanks would have permitted the withdrawal of about 400,000 cases, but all New York permits outstanding were cancelled on discovery of the theft.

SPRINGFIELD, Sept. 20.—A requisition on the state of Washington for the return to Chicago, of Bernard H. Seville, alias Boris Schevelev, alleged confidence man, was signed today by Governor Small. Representing himself as an agent for a talking machine company Seville is said to have swindled Rudolf Gang, a professional pianist, out of \$500 through a bogus contract for reproducing Gang's compositions on records. Seville was arrested at Seattle.

SPRINGFIELD, Ill., Sept. 20.—Frank T. Sheets, for fourteen years connected with the state highway department, today became superintendent of the division to succeed S. E. Bard, resigned. Sheets was appointed last week by Governor Small.

JERSEY CITY, N. J., Sept. 20.—An investigation of the Carpentier-Dempsey fight was suggested today by Judge Swazey. He asked the jury to determine whether it was a boxing exhibition under the meaning of the state law providing for such entertainment or a prize fight, which would subject participants and spectators to prosecution for committing a misdemeanor.

WASHINGTON, Sept. 20.—The skilled workers among immigrants arriving in this country during the fiscal year ending last June, numbered 11,774 against 88,967 during the previous fiscal year, according to figures made public today by the department of labor. There were 17,815 clerks and accountants admitted during the fiscal year while mariners with 13,221 were second in numbers.

CHICAGO, Sept. 20.—Edouard Horman, Belgian Billiard Champion, last night began his campaign to fit himself for world's championship balk line tournament here in November by averaging 100 in a 400 point match with Charles Hough. Horman's score was 257-35-86-22-400.

ANTI-BEER BILL IS TO COME UP WHEN CONGRESS CONVENES

Senator Sterling Says That Its Passage Will be Pressed—Claim That It Has Priority Over Tax Bill and Treaties—Definite Legislative Program is to Be Arranged Soon

(By The Associated Press)
WASHINGTON, Sept. 20.—Congress will re-assemble tomorrow noon after a recess since August 24, with a full program for the remainder of the extra session which may lapse into the regular December session.

Activity at first is to center in the senate which will consider the tax revision bill, the peace treaties with Germany, Austria and Hungary; the anti-beer, railroad debt funding, the allied debt refunding and other bills. The treaties are to be transmitted by President Harding tomorrow and are to be pressed at once.

The house will reconvene under a gentleman's agreement to transact virtually no business until October 4. Comparatively few representatives were in Washington tonight and the leaders were not expected until next month. The bill to re-apportion the house membership is slated to be taken up when the house begins work.

Presentation to the senate of the peace treaties and the revenue bill were expected to be the principal events tomorrow, although leaders tonight indicated a possibility that sessions tomorrow might be perfunctory and business put over one day. Death of house members during the recess, it was said might, out of respect cause an immediate adjournment of both senate and house.

Vice President Coolidge was here tonight ready to open the senate. The house will be presided over by Representative Walsh, Republican, Massachusetts, in the absence of Speaker Gillett, who will not return before October. The house agreement provides for three day recesses until October 4th.

Will Arrange Program

A definite legislative program for the rest of the session is to be arranged soon by Republican steering committees whose members will confer soon with President Harding. The tax bill is to have senate precedence, according to the present plans, although debate on it is not expected to begin until next week.

In view, however, of the administration desire to press the peace treaties, it was said by leaders tonight that the tax bill and the treaties might be considered virtually simultaneously by discussing the treaties during lapses of debate on the tax bill.

The anti-beer bill also is to be pressed at once, according to Senator Sterling, Republican, South Dakota who is in charge of it. As the conference report was adopted by the house just before the recess the bill has parliamentary priority in the senate even over the tax bill or the treaties. After disposal of the tax bill the senate finance committee is to resume work on the suspended tariff revision measure, but with little prospect of final enactment before early spring.

On October 10 the senate will vote on the Borah bill to provide American steamers free toll privileges in the Panama canal.

Good roads legislation is in conference with final action on the Townsend-Dowell federal aid bills expected next month.

Status of Investigations

Several investigations are to be continued and some concluded. Among the latter are the inquiries into the West Virginia coal mining situation and the Michigan senatorial election contest between Senator Newberry, Republican and Henry Ford, Democrat. Majority and minority reports of the Ford-Newberry inquiry are to be filed within a few days by members of the senate privileges and elections committee, but senate debate and the vote on seating Senator Newberry are not expected to develop for several weeks.

The point congressional committee investigating agricultural relief is to continue hearings in October. Inquiry into American administration of Haiti and Santo Domingo also will be continued by a senate special committee which expects to visit the islands.

Among bills scheduled for early consideration by the house is the maternity measure for federal aid to mothers and infants. It has passed the senate and is before the house interstate commerce committee.

During the congressional vacation the capitol and office rooms and buildings have been refurnished, extensive alterations having been made in some cases. Even the marble figures in statutory hall have been bathed.

REPORTED BURNING OF FILMS MYTH

Denver, Sept. 20.—The reported burning of the "Fatty" Arbuckle film by armed cowboys in Thermopolis, Wyo., last Friday night is a myth. As a result executives of the film board of trade of Colorado and of the Rocky Mountain screen club today announced they are considering action against F. J. Buzzetti, owner of the Masterstock Theater who they charge with perpetrating a pernicious publicity stunt.

LLOYD GEORGE NOR LORD CRUZON WILL BEAT CONFERENCE

Arthur J. Balfour May be Choice to Represent England

(By The Associated Press)
LONDON, Sept. 20.—Neither Premier Lloyd George nor Lord Curzon, secretary for foreign affairs will attend the Washington conference on the limitation of armaments. This official announcement was made today. Their decision is attributed to impending developments in domestic politics.

This has caused no surprise here as the development of British affairs for some time past has made it evident that the prime minister could not leave, although it is understood he was anxious to participate in the conference. Whether the cabinet meets the Sinn Fein representatives, Irish affairs for some time past has made it evident that the prime minister could not leave, although it is understood he was anxious to participate in the conference.

It had been assumed that Lord Curzon would go to Washington. His health however, is one of the drawbacks. He was unable to make the journey to Inverness for the urgent cabinet meeting recently to decide the government's policy toward the Sinn Fein.

No appointments have been made for the conference. The choice of Arthur J. Balfour, however, is believed to be a certainty as he is the most experienced of cabinet members in diplomatic negotiations.

Andrew Bonar Law the former government leader in the house of commons will be the next probability.

Interest here in the conference has been entirely submerged recently by absorbing home affairs.

ALUMNI CAMPAIGN DRIVE TO START

URBANA, Ill., Sept. 20.—The Nation-wide alumni campaign for the University of Illinois Memorial Stadium will start November 1 and end November 5, the executive council announced today. The alumni minimum quota is \$1,500,000.

A drive among the 3,500 incoming freshmen will be staged October 8 to 29.

Werner Ekblaw, former Illinois football player, was today named executive chairman of the drive, succeeding Coach Robert Zuppke who was forced to withdraw because of football activities.

An executive council, composed of alumni from every section of the United States which will have final authority on all stadium matters will be announced in a few days.

WILL EXTEND WORK

Warsaw, Sept. 20.—The American Relief expedition has decided to extend its work to all portions of starving Russia.

This year's hard road building total in Illinois will be about 300 miles, which will be a record for states in this area. If the same vigor which has marked recent months in state road building prevails next year, still a new record will be set. The hard road system cannot grow too rapidly so long as construction costs are kept within reason.

The Morgan county commissioners and the trustees of the tuberculosis board are right in their belief that the people of Mor-

gan county want the tuberculosis sanatorium in operation. The money has been expended for the sanatorium and the services that can be rendered the community thru it are needed. The economic operation of the sanatorium will have general approval.

If there is anything in leadership—and any thoughtful person will agree that there is—the president's conference on unemployment and industrial conditions should bring results. The committee that has been named for this conference is large in number and includes persons with a wide range of information at their disposal. No one can doubt from the personnel of the committee that anything which can be done to better the present conditions will be done.

Representatives from the secretary of state's office are in Jacksonville checking up car drivers who are violating the law with reference to license tags. The number of violations is indeed surprising. In some cases these are the result merely of neglect, in others there must be intent to evade the provisions of the law.

Certainly the checking up process is advisable, both because it increases the revenue of the state and secondly because such laws in-

fairness should apply to every car owner.

A few weeks ago there was the story that the revenue department was about to authorize medical beer, but that order was not forthcoming. Now quite in marked contrast to the talked-of order is the actual one wherein the department interprets a provision of the law to place a ban upon home brewing.

No doubt without limitations home brewing adds very much to the difficulties of prohibition enforcement. However, revenue officials must undertake a task even greater than they had before if they endeavor to supervise all the actions of the home brewers. The effect of the ruling will be to intensify the activity of the senate and house members who favor a section in the proposed enforcement law which will definitely exempt the home from official intrusion.

REMARKABLE EMPLOYMENT RECORD

Speaking of conditions on his road, President Daniel Willard of the Baltimore and Ohio said recently, "I am not in a position to speak for the other roads, but I know my road and our employees, and I am confident that if the men have any grievances, they will be settled as we always settle them—in conference between workers' committees and officers."

Some cynical people will sneer at this as a mere attempt to forestall the efforts of outsiders to settle any differences that may exist, but there is manifestly good ground for Willard's assertion that in the past grievances have been settled by conferences between committees of workers and officials. Out of 56,000 workers, 20,000 have been with the road more than ten years and an equal number have been with the road twenty years or more. The average length of service among the 56,000 men is 15 years. With a record such as that, it is evident that there is justification for the use of language which expresses doubt whether any grievance exists, and also confidence that if a grievance does exist it can be settled by committees of officers and employees. There are few establishments in the country whose employees have been with the concern for an average of 15 years.

ILLINOIS RESIDENTS MEET IN LOS ANGELES

George Imgrund, superintendent of the C. P. & St. L. shops in this city, has returned from a trip to California and while in Los Angeles he had the pleasure of attending a reunion of the Jacksonville society. The affair was largely managed by Rev. and Mrs. Arthur Rider, formerly Mrs. Ada Tuman Hamill, and was a grand success. A great many Jacksonville people reside in the city of the Angeles or vicinity and each year they have a reunion and a fine time. The affair was at Sycamore Grove park, one of the beautiful resorts of the city and among those present were the following: Rev. and Mrs. Arthur Rider, Mrs. Myrtle Shepard, Mrs. Mary S. Peak, Mrs. Frank Hoblett, Miss Ida Goodrick, Miss Ailsie Goodrick, Rev. Mr. Ironmonger, Mrs. Horace Carriel, Mrs. Frank Lewis, Mrs. Edward Hull, Mrs. D. Holterick, Prof. H. E. OLD JACKSONVILLE
THE SILAS HENDERSONS AND CONCORD

(BY ENSLEY MOORE)
Member Illinois State Historical Society

The following letter explains itself:
Jacksonville, Ill.
460 South East Street.

Dear Mr. Moore:
I have read a great many of your articles in the Journal, and as I read your article about the "Old House" today, I remembered that it was the 35th anniversary of the death of my grandfather, Silas Henderson, Sr., and that one incident in his life might interest you. Silas Henderson, Sr., was born in the State of Virginia, Jan. 4th, 1811, and came to this country with his parents when a boy, settling on a piece of land near Arcadia. He grew to manhood, and was united in marriage to Sarah Gorham. They moved to a farm near Concord, about Jan. 1st, 1851. Mrs. Henderson died in 1852. Mr. Henderson died Aug. 17, 1886, leaving eight children by his first wife and one son by a second marriage.

He deposited his first money, "hard earned cash," with M. P. Ayers and Co. In early days, there was a "run" on the bank due to some panic, or scare; and Mr. Henderson rode to Jacksonville with the full purpose of drawing his money and hiding it as some of his neighbors did. When he entered the bank Mr. Ayers' first words were, "Well, Silas, I guess you want your money like the rest of them." Mr. Henderson hesitated and was taken aback by this speech. He said he did not know what about it. Mr. Ayers cut in sharply that he could have it quick if he wanted it. The result was the old farmer turned right around and went home minus his money, and was always proud of it. He never banked elsewhere, and what is more his three sons, Francis Marlon, Stephen Gorham and Henry C. Henderson all banked there for many years. Henry C. is the only one now living, and is a prosperous farmer near Belton, Cass County, Mo. The writer also deposited first with the Ayers bank.

Use as much or as little as you choose.

Very respectfully,

MANCHESTER

On Sunday Mr. and Mrs. John Blevins entertained the following relatives from Palmyra: Mr. Blevins' nephew, James Blevins, and wife, their son, Ted and wife, and their two children.

Paul Lashmet went to Jacksonville Monday to enter Illinois college.

Mrs. H. W. Kreigmeier, of Pekin, Mrs. J. G. Kuppel, and son, Walter, and Mr. and Mrs. Ollie Fenstermaker visited Mrs. Emma Fenstermaker at the home of Henry Houston Sunday.

Mr. and Mrs. Lennie Goacher, of Jacksonville spent Monday night and Tuesday with relatives here.

Mr. and Mrs. George Matthews and son, Lawrence, left this morning for a visit with relatives in Peoria and Chicago. The trip will be made in the latter car.

On last Sunday afternoon four elderly people whose ages totaled 347 years. They were "grandmother" Moore, who is in her one hundredth year, F. F. Clark, Mrs. Martha Story and Mrs. Margaret Wyatt, whose ages range from 81 to 86 years. All are hale and hearty and bid fair to live to be several years older.

Jacksonville Lodge No. 570 A. F. & A. M. will hold a special meeting to-night at 7 o'clock for work. Visiting brethren welcome.

Frank Hembrough of Asbury neighborhood visited the city yesterday.

SILAS M. HENDERSON.
Mr. Henderson added:
My time is divided between 460 South East street, and the Henderson farm between Chapin and Concord, and Chapin.

One son Leland V., is employed by the Gravel Springs Co.; Marion F., is assistant cashier at Myers Bros.; Howard has a position at the Beggs Elevator. All three are members of the National Guard. Ruth, our daughter, is with F. J. Waddell & Co. My eldest son is farming in Woodford county. Our married daughter is here on the farm; as well as my sister, Miss Lulu Henderson.

The Mr. Ayers that Mr. Henderson referred to was probably A. E. Ayers, cashier of the bank.

In connection with Mr. Henderson's letter, it may not be amiss to refer to
Concord
This extract is taken from the "Atlas Map of Morgan County," published in 1872 by Andreas, Lyter & Co., Davenport, Iowa.

As a footnote to the map of Township 16-11, at the bottom of the page, the following history was given:
"This township was first settled by Benjamin Couchman, the Carters, Rev. James Sims, Steven Henderson, David Henderson and Bennett Smart. The first permanent settlement was made by Steven Henderson on the 30th day September, 1825. A short time before Mr. Henderson's arrival John Carter built a cabin on Sec. 14, but he remained in the township only a short time. The first Justice of the peace was David Smith, about the year 1828. Rev. Peter Cartwright was the first preacher. A small cabin was built in Sec. 12, and the energetic line-rover occasionally occupied the same. Rev. James Sims was the first year preacher. * * * The first schoolhouse was built of logs and located in Sec. 12. The people called it "Carmel," and it received pupils for many miles. The first teacher was Jonathan Atherton, in 1829."

FARM BUREAU NOTES

Rock Phosphate—Chas. E. Patterson of the Ebenezer neighborhood has just received a car of rock phosphate and is spreading it on cowpeas and clover preparatory to turning it down for wheat. The decomposing vegetable matter is expected to change the phosphate from the inorganic to the organic form.

Well Inoculated Soybeans—At E. R. Hembroughs yesterday we procured several soybean plants that have the nodules remarkably well developed. These range in sizes from a pea to the end of ones finger. The presence of nodules indicates satisfactory seed inoculation and that the plants are taking nitrogen from the air.

Farm Bureau at Telephone Hearing—Representatives of the farm bureau will attend the hearing at Springfield when the telephone people gives reasons why rates should be increased at certain points in this county. Litterberry, Murrayville, Woodson, Alexander, and Franklin are the points. Greene County Farm Bureau will also go to protest against the proposed increase.

SAYS HER RECOVERY IS ALMOST LIKE A MIRACLE

From Helpless Invalid to Complete Restoration of Health, Strength and Happiness is Wonderful Change Mrs. Root Experienced in Three Weeks—Statement One of Most Remarkable on Record

MRS. JENNIE ROOT

"Just a week before I started taking Tanlac I was down in bed so crippled up with rheumatism I could not move without help. My son had taken Tanlac, and it had done him a world of good, so one day he brought home a bottle and said, 'Mother, I want you to take this.' When I had finished that bottle, I felt like a different woman, and by the time I had finished my second bottle, I was out in the garden hoeing.

"Tanalac has simply done wonders for me; it almost seems like a miracle." This is the remarkable statement made recently by Mrs. Jennie Root, residing at 1409 Powers St., Portland, Oregon, and is only one of tens of thousands from well-known men and women who are daily testifying to the powers of Tanlac.

"Continuing her wonderful statement, Mrs. Root said, 'For years I suffered terribly with rheumatism, and would often be down in bed for days at a time. In the last five years there was not a time that I didn't feel those rheumatic pains all through my body. About two months ago I got very much worse and my arms and legs were so bad I was almost helpless and couldn't even hold a pen to sign my name. I was so weak I could not do any housework. I couldn't even sleep, and had no rest, day or night. Even to walk a few steps would tire me out completely. When I tried to walk I would stagger, and when I did walk a little way and sat down I could not get up without some one helping me. I had no appetite and hardly ate enough to keep me alive. I could not stoop over enough to get my shoes on.

"I never knew what a night's sleep was, and would lie awake for hours. At times I would get very cold and would have to get up and sit by the fire all huddled up, and my daughters would put hot water bottles all around me. I was treated by four doctors and took all kinds of medicine. Nothing

ever did me any good. I am just like a different person now. All those terrible aches and pains have left me and only the other day I was able to walk up four flights of stairs in an office building when the elevator was out of order.

"My appetite is just splendid now, and just today for the first time in years, I felt so hungry that I had to eat a piece of pie between meals. In fact, I can't remember the time that I have felt as well as I do now. I have not only regained my health and strength, but I have gained fourteen pounds in weight. To tell the truth, I wouldn't exchange the benefit I have received from Tanlac for the best ranch in Oregon, and I will praise it as long as I live."

Tanalac is sold by leading druggists everywhere.—Adv.

Mrs. A. M. Calhoun has been on the sick list for several days. John Votsmeier, A. M. Calhoun and Charles O. Seymour were business visitors in Jacksonville on Monday.

Mr. and Mrs. W. W. Skeens visited Saturday with their daughter Mrs. Elmer Straun, near Alexander.

Mrs. John Votsmeier and little daughter spent Friday of last week with her grandparents, Mr. and Mrs. M. S. Berry east of Waverly, it being the 68th wedding anniversary of the old people.

They are past eighty-eight years of age, but are in their usual health. Mrs. D. N. Harris, daughter and her son George, of Yatesville and William Berry, a son and wife of Waverly, were present. The old people make their home with their son, J. M. Berry. Another son, George Berry, of Excelsior Springs, who is in very poor health, and a daughter, Mrs. W. H. Stice were unable to be present.

Mrs. Stice is just recovering from a severe illness. J. M. Berry was also present. The day was spent very quietly.

ACCIDENT ON STATE ROAD
A resident of Jacksonville who was traveling over the Springfield road Sunday, reported a remarkable accident about ten miles east of Jacksonville. Two cars of tourists collided and a small child was thrown from one car into the arms of a man in the other car.

When the cars collided the man who caught the little tourist, instinctively threw up his arms to protect his eyes and he did so in such a manner that the little one was comfortably caught and suffered no injuries. None of the other occupants of the cars were injured beyond a few bruises altho the cars were badly damaged.

WILL HOLD SALE

R. S. McKinney will hold a sale of Poland China hogs and Shorthorn cattle at Oak Crest Farm near Chapin this coming Thursday. A number of remarkable litters will be sold at this sale which Mr. McKinney terms a grand champion offering.

One litter was sired by Grand Champion King Koke, champion of the Missouri state fair of 1920, considered one of the largest boars of the breed.

There is also a litter by the Great Clansman, the 1920 Illinois state fair grand champion. Still another litter is out of Lady Black, the mother of Black Lady, the 1920 grand champion sow at the Illinois state fair.

In addition the offerings include four fall yearling sows by Yankee Doodle out of Hedgegrove Lola, the 1918 grand champion sow of the international exhibition. He is also selling three pure bred Scotch Shorthorn bulls, together with two Shropshire rams.

The offerings are the choice of more than two hundred animals that are of the very highest class and several of the livestock journals have mentioned this sale because of the high standing and record of other Oak Crest sales.

J. C. Bennett was a city arrival from Springfield yesterday.

CHANCES LIKELY TO BE MADE IN SENATE LEADERS

Senator Curtis May Succeed
Cummins as President
Pro Tem

(By The Associated Press)
WASHINGTON, Sept. 20.—Possibility of changes in leadership of senate Republicans was discussed today by members returning for the re-assembling of congress tomorrow. Senator Lodge of Massachusetts is to continue as the floor leader but other changes in the majority party's organization were said to be under consideration.

Senator Cummins of Iowa has been in ill-health for several months and should he desire to relinquish his duties as president pro tem of the senate it is said

that Senator Curtis, vice-chairman of the Republican conference and party whip, probably would be the choice for the office.

Senator Watson of Indiana was reported to be favored in that event as successor to Senator Curtis as vice-chairman and whip.

With the prospect that Senator Lodge as a member of the American delegation in the armament conference will be away from the senate for some time, the immediate Republican leadership it was said probably would be exercised by some other senator. In the past the party whip has been recognized as the leader under such circumstances.

Mrs. Ed Burroughs of Winchester spent the day in Jacksonville yesterday.

Mr. and Mrs. John Gillham of Bluffs were travelers to the city yesterday.

MINE WORKERS CONTROL OF STATE

LOGAN, W. Va., Sept. 20.—"The state of West Virginia lies squarely at the feet of the United Mine Workers of America," William F. Wiley, vice-president and general manager of the Boone County Coal Corporation, told a senate investigating committee here today in describing conditions in the coal mining region.

Operating a plant in which only union miners are employed, Mr. Wiley declared production had been cut down because of the terrified plight of the workers as a result of recent disturbances. After he had given the committee a word picture of troubles, in a two hour recital, Senator Kenyon touched on the employment of private detectives by operators.

"Aren't you putting certain functions of the government into the hands of private institutions and could not the state carry them out?" Senator Kenyon asked. "You are right," Wiley replied, banging the table. "They should be carried out by the state but until the state does it what are the people going to do? The state lies squarely at the feet of the United Mine Workers today. If West Virginia cannot get a constabulary or a national guard to perpetuate its existence then it is absolutely helpless."

SUPPLEMENTARY AGREEMENT SIGNED

Washington, Sept. 19.—Signing of the supplementary agreement between the Federal Wireless company, an American concern and the Chinese government relative to the issues of bonds for financing the project was reported to the state department today by the American Minister at Peking.

FAIR PLAY BY ENGLAND ONLY HOPE OF PEACE

This is Belief of Arthur Griffith, Dail Eireann Minister

(By The Associated Press)
DUBLIN, Sept. 20.—Arthur Griffith, the foreign minister in the Dail Eireann cabinet and chairman of the plenipotentiaries recently appointed to the proposed conference with the British representatives to discuss the Irish settlement said today in the course of an interview that the question was whether the British government was sincerely seeking peace or merely trying to sell Ireland a gold brick.

The government's reply to Mr. DeValera's last letter, he added, will indicate the answer to that question. If it seeks to impose preliminary conditions to the conference that will be conclusive proof of its belief that it can play Ireland the confidence trick of its predecessors—successfully worked in turn on the Ireland of O'Connell, Butt and Redmond.

Unfettered Conference.
"Obviously there can be no settlement unless it is outcome of an unfettered conference and if the British government does not want an unfettered conference it does not want a settlement. It is only play-acting in the hope of deceiving the world."

Replying to a question as to whether a settlement should cover the great issues of navy and free trade, Mr. Griffith replied:

"All such issues should be covered by treaty. If the long conflict is to be ended," he continued, "it must be ended not temporarily or vaguely, but permanently and definitely. There is a real chance today of ending the oldest war in the world and establishing an enduring amity between the combatants. There will be no chance tomorrow if the British government tries to play false."

WARRANTS FOR R. R. OFFICIALS

CHICAGO, Sept. 20.—Four officials of the Chicago, Milwaukee & St. Paul railroad for whom warrants were issued yesterday charging them with refusing to give employees their statutory two hours off on election day to permit them to vote, have informed Assistant State's Attorney Burke that they will appear in court Friday, Mr. Burke announced today.

It also was announced that their defense would involve a test of the constitutionality of the law they are alleged to have violated.

Those named in the warrants are H. E. Byram, president of the road, Burton Hanson, general counsel, L. K. Silcocks, general superintendent of motive power. Fifty warrants for the arrest of the officials were ordered drawn today by County Judge Righeimer.

"If they are going to make a test case of it, we'll make it worth their while," he said. "I want a warrant prepared for each offense. The maximum fine for each offense is \$100."

MUST RECONCILE CONFLICTING VIEWS

(By The Associated Press)
WASHINGTON, Sept. 20.—Conflicting views of army engineers and those representing Henry Ford as to the expenditure necessary to complete the power dams on the Muscogee (Ala.) river plant must be reconciled, Secretary Weeks said today, before action will be taken on the Detroit manufacturer's offer to take over the plant and operate it as a commercial fertilizer factory.

Mr. Ford's engineers, who conferred with the secretary yesterday have estimated that the work will require \$28,000,000, while government experts place the probable cost at something like twice that amount, Mr. Weeks said.

The point involved, it was explained is that under Mr. Ford's offer the government is to complete the dams, funds expended for that purpose to be repaid at a rate fixed in the proposed contract. This question it was said was the only one on which the secretary desired to talk when he conferred yesterday with Mr. Ford's engineers. They are now reviewing the estimates and the figures of the army engineers to see if an agreement as to the probable cost cannot be reached and this figure written into the proposed contract. Mr. Weeks would not say, however, that the matter of the divergent estimates was the only obstacle to acceptance of Mr. Ford's proposal.

AMERICAN THOUGHT TO BE SIDNEY HILMAN

(By The Associated Press)
RIGA, Latvia, Sept. 20.—The American representative who was announced in a despatch from Moscow to the Rosta Agency on Monday to have arrived in the Bolshevik capital with half million dollars for the starving people in Volga region is named Gillman or Hillman, says a Moscow dispatch to the Latvian Telegraph agency today. He represents the Garment Trades, the despatch adds. President of Clothing Workers NEW YORK, Sept. 20.—The American representative of the Garment Trades named Gillman or Hillman alleged to have arrived in Moscow with a half million dollars for famine relief is believed to be Sidney Hilman, president of the Amalgamated Clothing Workers of America who left here two months ago to investigate conditions in Russia.

Joseph Schlossberg, secretary-treasurer of the organization said tonight that he received a cablegram from Hilman yesterday asking clothing workers to raise the \$200,000 at once to buy flour for the starving Russians. Hilman carried no organization relief funds with him, he added. Every effort would be made by the clothing workers to raise the money, Schlossberg said.

METHODISTS FINISH WORK

ABINGDON, Ill., Sept. 19.—Appointment of Methodist preachers to fill pulpits in Galesburg, Kankakee, Peoria and Rock Island districts for the next fiscal year were announced here this afternoon at the concluding session of the Central Illinois Conference of the Methodist Episcopal church. Appointments were made by Bishop Nicholson of Chicago.

District superintendents appointed were M. L. O'Hara, Galesburg district; Frank E. Shult, Kankakee district; Sanford P. Archer, Peoria district and John T. Jones, Rock Island district.

REVOLT IN BALTIC FLEET
Warsaw, Sept. 20.—A new revolt has broken out in the Russian Baltic fleet. Four hundred of the officers of the fleet have been arrested and taken to Moscow, according to advices from the soviet capital.

The Russian soviet government has invited former financiers of the czarist regime to collaborate with the soviet government.

IOWA MAN IS ARRESTED IN LONDON

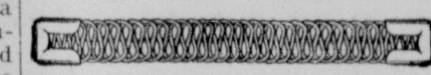

New York, Sept. 20.—William Savies, a tinsmith of Council Bluffs, Iowa, who police said escaped from prison at Ft. Madison, Iowa, in 1918, while serving a life sentence for murder was arrested today upon his arrival from England.

Savies was deported after having entered England as a sailor under a false name.

GIVES ADVICE TO THE WOMEN

CHICAGO, Sept. 20.—The war taught women the true value of the home as a breeding place for good citizenship and it is up to them to maintain this value, Alice Ames Winter, president of the General Federation of Women's Clubs, said today in an address at the opening session of the American Baking Industry convention. "Women should keep house scientifically, using every possible labor and money saving device so as to have time to raise children properly and promote the relationship between the home and good citizenship," she said. "This doesn't mean turning the home into an institution of economics, however, for the time will never come when a wife will charge her husband fifteen cents for his morning good bye kiss."

BIG AUDIENCE

SPRINGFIELD, Ill., Sept. 20.—(By Associated Press.)—Mr. Levin, ousted secretary of the Illinois Civil Service Commission, will have a hearing Friday before the commission which discharged him last week. Levin wanted the hearing after he was misled on complaints charging him with inefficiency and cruelty to his child. Replying to the commission's ouster Levin made sweeping charges against the civil service laws and declared that he was discharged for political reasons. He was notified tonight by Chairman Pur-

dunn that the petition for a hearing had been granted and the case set for September 22.

"I want the public to be well represented at the hearing," Levin said.

WINCHESTER COUPLE UNITED IN MARRIAGE

Miss Anna Nieman Becomes Bride of Lee Overton Tuesday Evening—Other Winchester News Items.

Winchester, Sept. 20.—Many friends will be surprised to learn of the marriage of Miss Anna Nieman, second daughter of Mrs. Sophia Nieman, to Lee Overton, son of Mr. and Mrs. Harvey Overton. The ceremony was performed by Dr. W. R. Johnson, at the Baptist church at 7 o'clock Tuesday evening. Miss Irene Nieman, a sister of the bride, and Guy Overton, brother of the groom, were the attendants.

Following the ceremony a wedding dinner was served at the home of the bride's mother, the guests being the members of the immediate families.

Mrs. Overton is a graduate of the Winchester high school and has been a successful teacher in the schools of Scott and Morgan counties for the past few years. More recently she has been the principal of the Chapin high school, and is a young woman held in the highest esteem by all who know her.

The groom also attended the Winchester high school and for the past several years has been associated with his father in business. He is a young man of sterling worth and is accounted one of the most promising of Winchester's young men.

Mr. and Mrs. Overton left following the ceremony for a motor trip to Iowa, Wisconsin and Minnesota. They will return by way of Chicago and will visit there for some time before returning to their home here. They have the hearty congratulations and good wishes of their many friends.

Thomas Collins Passed Away. Thomas Collins passed away at 4:30 o'clock Tuesday morning

at St. John's hospital in Springfield, where he had been a patient for the past few days. His condition became suddenly more critical and death came at the hour indicated.

The deceased was born and reared on a farm near Riggsport. In young manhood he engaged in farming but for the past several years he had been interested in business in Chicago. The deceased was preceded in death by his father and mother. He is survived by two sisters, Mrs. Edward Demsey and Miss Mary Collins, both of Sioux City, Iowa, and a half brother, Fred Burns, living north of Winchester.

The funeral will be held at St. Mark's Catholic church Thursday morning at 9 o'clock. Rev. Father Bell officiating. Miss Mary Collins, sister of the deceased, is expected to arrive from Sioux City for the funeral services.

News Notes. Mrs. Carl Snyder arrived Tuesday from Marion, Ill., and expects to accompany her aunt, Mrs. C. H. Lewis, to Abington. Miss Lena Northcott entertained a company of twelve young ladies Tuesday evening at the home of Mr. and Mrs. George Hogan, in honor of Mrs. Joe Cowhick, a bride of recent days. The event was a miscellaneous shower and the bride received a great many useful gifts. Contests and games were enjoyed through the evening and at a late hour refreshments were served.

CEREMONIAL ON ARMISTICE DAY

WASHINGTON, Sept. 20.—A solemn ceremonial to voice at once the nation's gratitude to the soldiers dead and its hope of deliverance from the burden of heavy armament will be observed from coast to coast on armistice day under the leadership of President Harding and officials of his administration.

In honor of the occasion the first meeting of the armament conference called for that day, is to be confined to the briefest of formalities leaving the delegates of all participating nations free to join with the president in the central ceremony at Arlington national cemetery. On the next day, November 12, the real work of the conference will begin.

Plans for the two-fold observance have not yet taken detailed form, but they are expected to include a nationwide demonstration for the limitation of armament by organized labor, prayer services in many churches, special meetings of women's organizations and ceremonies of various forms by civic, industrial and political bodies generally.

EIGHT BALLOONS HAVE NOW LANDED

BRUSSELS, Sept. 19.—But one of the three balloons piloted by American aeronauts which left here Sunday afternoon in competition for the James Gordon Bennett trophy, had been heard from up to shortly before midnight tonight. Eight of the fourteen starters had been accounted for up to that time.

The English entrant, Baushe, landed near Carmarthen, Wales; the Crombez, French, at Brighton, England; the Valle, Italy, at Aberaeron, Wales; the Belgica VII, Belgium, piloted by Lieutenant Demuyter, at Powerstock, Dorsetshire, England; and the Banbury, Italian, eight miles northwest of Swansea, Wales.

Wade T. Ormand, an American, landed six miles northwest of Exeter, England; the Spanish contestant, Magdalena, at Treherbert, 25 miles from Cardiff, Wales; and the gas bag piloted by the Englishman Spencer at Fishguard, Wales.

Nothing had been heard from the other six competitors in the race.

C. OF C. DIRECTORS HELD CONFERENCE

Organization Will Assist Any Auto Show That May Be Developed.

As the Chamber of Commerce forum is to meet Thursday night this week, a meeting of the directors was held Tuesday noon at the Peacock Inn. President R. Y. Rowe presided. Secretary Welch read a communication from the state Epworth League organization, stating that a decision would not be reached until next summer as to permanent location for the Epworth League convention. The advantages of Jacksonville will be taken into account. A committee was here recently and inspected Nichols Park.

Announcement was made of the arrangements for the forum meeting next Thursday night and then some routine business was given consideration.

John Wilkinson, who was the director of the automobile show was given here last February, was present and told of the plan to have a similar show this fall, with a larger number of merchants co-operating. Lloyd Reid, chairman of the trade extension committee of the Chamber of Commerce, discussed the project as did J. Bart Johnson, representing the organization of merchants who had exhibits at the last show.

After full consideration of the matter the directors expressed their approval by voting the co-operation of the Chamber of Commerce if the Automotive association and the exhibitors' association proceed with the plans which have been under consideration for the past week or more. Mr. Wilkinson's work in connection with the exhibit last February was of a very satisfactory kind.

MAYOR CRABTREE MADE ADDRESS AT WHITE HALL

At the monthly meeting of the men's brotherhood of the Presbyterian church of White Hall Tuesday night Mayor E. E. Crabtree made an address on "Community Co-operation." The brotherhood has a large membership and the meeting last night marked the beginning of the fall program. Each month it is the custom to secure a speaker on some theme of general interest.

Hal Galloway presided at the session last night and the program for the evening included musical selections by Miss Morrow. The ladies of the church served an excellent supper. C. H. Russell and Dr. T. A. Chapin accompanied Mr. Crabtree to White Hall.

Mr. and Mrs. George Kemp moved to the city Tuesday from Roodhouse.

A Two-Fisted Job

FOR many years the Standard Oil Company (Indiana) has been perfecting an organization with the sole purpose of giving the consuming public a maximum of service at a minimum of cost.

To do this, four large refineries have been built and equipped; 3,700 bulk stations have been placed at strategic points throughout the 11 states served; more than 1,300 service stations have been located at convenient points so that Standard Oil Company (Indiana) products may be obtained every few miles in the country and every few blocks in the city.

Fleets of tank wagons and motor trucks are always in service ready to deliver Red Crown Gasoline, Perfection Kerosene and other Standard Oil products to consumers, wherever they may live.

In organizing this vast network of service, those responsible for the management of the Company have had two major objects in view; first to reduce the cost of manufacturing, marketing and distributing to the lowest point possible; second, to make prices which would be fair to the consuming public.

While mindful of the rights and privileges of its competitors, the Standard Oil Company (Indiana) believes that its first duty is to the consuming public.

During the present unsettled conditions in the petroleum industry, this Company has reduced the selling price of its goods as rapidly as sound management would permit, and it proposes to continue this practice.

This policy conforms to the established practice of the Company of letting service take care of volume, and volume take care of profits and return to the 20,621 stockholders, not one of whom owns as much as 10 per cent of the capital stock.

You Get Bigger Crops the First Year With MISSISSIPPI Pulverized Limestone

Quality counts in limestone for soil sweetening just the same as in seed for crops. Carrying charges, hauling and the labor of putting it into the soil properly are just the same with inferior limestone or seed as with better kind—profitable returns are quick and sure only when you buy the best.

High Calcium Content and Correct Milling

are of greatest importance in pulverized limestone for agricultural use. Calcium is what you buy limestone for. The richer the stone in calcium the more soil sweetening material you get for your money—the less stone you need to buy and handle.

Mississippi Pulverized Limestone is exceptionally high in calcium content and is made of the same rock from which our high calcium burned lime is manufactured—free from all flint, low grade material or dirt.

Mississippi High Grade Pulverized Lime Stone is not a mere by-product of the quarry, but is especially selected and milled for agricultural use. Because of its high quality and correct milling, it serves the soil quickly and completely—you get bigger crops the first year and for years to come.

Your Soil Needs Lime

Write us today for free illustrated literature on liming land and reports of crop increases when the right kind of limestone is properly applied. We fill orders promptly. Let us give you price on a car delivered at your station on short notice. Have your supply on hand to apply in time for bigger crops the coming season.

TO SEND DELEGATION TO STATE CAMP

American Legion Post Will Have Forty Men At Decatur Meet.

The American Legion held a regular session last night with the membership well represented. Much of the time of the session was taken in discussion of the state meeting which will convene in Decatur, October 10. Reservations have been made for 40 delegates from the local post and a special committee has charge of the preparations for the trip. A favorable rate has been secured from the railroads and Decatur is preparing for an enormous crowd. Thirty bands have been promised and it is expected that there will be between 12,000 and 15,000 men in the marching line. The local post will take a drum corps and the colors.

The next meeting of the Legion will be held October 3, and there will be a special social program. It was reported last night that the new furniture will be in place for the next meeting.

GRACE MISSIONARY SOCIETY OFFICERS

Were Chosen at Meeting Held at the Home of Mrs. Minnie Wheeler Tuesday—Mrs. Shoemaker Delegate to Champaign Meeting.

The regular meeting of the Woman's Home Missionary Society of the Grace M. E. church was held at Mrs. Minnie Wheeler's residence, 1156 West Lafayette avenue, yesterday afternoon. Mrs. D. B. Spires led the devotional. With Mrs. Shoemaker presiding, the reports from the different officers were read and approved.

It was voted that for the coming year the regular meetings of the society be held in the social rooms of the Grace church, which have just been beautifully decorated and refurnished. The sentiment of those present was freely expressed in favor of the change beginning with the first meeting of the new club year in October.

It was voted that Mrs. Shoemaker be the official delegate to the conference meeting of the W. H. M. S. to be held November 17 and 18 in Champaign.

It was decided to take the same pledge for the coming year excepting that the scholarship paid for Alma Shrader in the Clesky Home be made \$70 in place of \$50 to conform with present prices. The total pledge not including the dues will be \$175. In addition to this a special scholarship of \$75 will be sent to Bennett Academy, Mathison, Miss., where one of our girls Miss Edna Osborne, is teaching.

The following officers were elected:

President—Mrs. R. Shoemaker.
First Vice President—Mrs. James Brecken.
Second Vice President—Miss Lizzie Groves.
Recording Secretary—Mrs. Luther Wyatt.
Corresponding Secretary—Mrs. Dora E. Lowdermilk.
Treasurer—Mrs. Harry Timmons.
Mite Box Secretary—Mrs. P. F. Phillips.

Secretary of Children's Work—Mrs. Sidney Jones.

Secretary of Young People's Work—Mrs. W. E. Hall.

Assistant Secretary of Young People's Work—Mrs. H. L. Griswold.

Secretary of Christian Stewardship—Mrs. H. A. Nelson.

Secretary of Evangelism—Mrs. J. P. Berry.

Secretary of Temperance—Mrs. J. A. Applebee.

The hostesses for the coming meetings will be announced in a few days.

ALMOST DROWNED

Sunday afternoon two young ladies were rowing on the lake in Nicholas Park, not being accustomed to managing a boat one of them fell into the water and her companion in the boat seemed unable to do anything to help her. She struggled and screamed and attracted the attention of two boys near by and they rushed to her rescue. The water into which she fell was a trifle over her head but the boys managed to get her ashore. She had a cloak or wrap of some sort in the boat and putting that about her went on her way to land. Her escape from death was very fortunate for had the accident occurred in the middle of the lake she could not have been rescued.

K. P. BURGEOO, SEPT. 28.
Jax Lodge, No. 152, Knights of Pythias are to have a burgeo picnic at Nichols park Sept. 28th. It is a strictly K. P. affair and all members of the order and their wives will be welcome. It is intended to have this a very enjoyable affair and the committees will work hard to that end.

Miss Edna Ryan to Wed Gene Maloney.

At a charming party given yesterday afternoon by Mrs. Thomas Heaton at her home on South Clay avenue, the engagement of Miss Edna Ryan, of Alexander and Eugene Maloney of South Bend, Indiana, was made known. About fourteen intimate friends and schoolmates of Miss Ryan were guests. The hostess served dainty refreshments and the afternoon was an enjoyable one for all.

Miss Ryan is the daughter of Mr. and Mrs. O. E. Ryan of Alexander and has many friends there and in Jacksonville where she attended school.

After being graduated from Rount College in the class of 1920 she attended Fell Hall in Bloomington last year. The announcement of the approaching marriage was made when the guests went into the dining room and discovered little cards bearing the initials "E. R." and "G. M." hidden inside the dainty little bon bon cups on the table. The dining room was most attractively arranged with a color scheme of pink and white carried out with roses and ribbon streamers. The delicious refreshments also carried out the color scheme.

The bride-to-be is the daughter of Mr. and Mrs. O. E. Ryan of Alexander and has many friends in Jacksonville. She lived at Mrs. Heaton's home for two years while attending school here and became a very close friend of the family. Mr. Maloney is the son of Mr. and Mrs. Thomas Maloney of Hardin avenue and attended Rount college here several years ago. He now holds a position with the Dodge Motor Company in Detroit.

CLUBS AND SOCIETY

Representatives of Secretary of State Here to Check up Car Owners.

Mrs. L. L. Nunes entertained a number of relatives with a dinner party in honor of her husband's birthday last evening. After the delicious dinner the evening was devoted to a much enjoyed social time.

The following are the guests who were present: Mr. and Mrs. L. Dumbaul and son, James Samuvel, of Quincy, Ill.; Mr. and Mrs. Dan Meline, Sam Nunes and Mr. and Mrs. Bert Moore.

Household Science Club Holds First Meeting

Mrs. Ollie Parker entertained the members of the Household Science club yesterday afternoon at her home on West State street. This was the first meeting of the fall and Mrs. W. S. Jones gave a very interesting paper on the subject of "Makers of American Humor." Following the paper the members took part in a general discussion of the making of jellies and preserves. The afternoon closed with a social hour and the serving of dainty refreshments by the hostess.

Theater Party for Miss Weber.

Miss Anna Weber was the guest of honor at a delightful theatre party given Tuesday evening by Miss Magnerite Corrington. Ten of Miss Weber's friends were the guests at the theater and were taken for refreshments later. Miss Weber is to be married this week and this party was one of the pleasant social functions being given in her honor.

House Keeper's Class Enjoys Picnic.

The members of the Housekeeper's class of the Westminster church enjoyed an afternoon social and picnic supper at the home of Mrs. H. B. Kamm, on Mound avenue. In the afternoon stunts and contests formed a very pleasant pastime and in the evening a sumptuous picnic supper was served on the attractive lawn of Mrs. Kamm's home. There were about forty of the class members present at this successful affair. The other ladies who assisted the hostess in entertaining were Mrs. Marshall Smith, Miss Ella and Hannah Watkins, Miss Anne McCormick and Mrs. Updegraff.

Strawn's Crossing Club Met With Mrs. Harry Martin.

The Strawn's Crossing club met with Mrs. Harry Martin Tuesday afternoon with a good attendance of members. Mrs. William Thompson presented a paper on the "Slav People" which proved of great interest. Mrs. C. M. Coons read a well prepared paper on "Reconstruction After the Civil War." The members responded to roll on "What I Would Like for the Club to Do Next Year." Mrs. John Martin and daughter, Mae, and Mrs. Litter were guests of the club. During the social hour following the program the hostess served refreshments. The next meeting will be held with Mrs. Edward Deaton, October 4.

Mrs. Thomas Heaton Entertains.

At a charming affair given Tuesday afternoon Mrs. Thomas Heaton, at her home, 111 South Clay avenue, the approaching marriage of Miss Edna Ryan of Alexander and Eugene Maloney of South Bend, Indiana, was made known. CAR LICENSE LAWS MUST BE OBSERVED

Representatives of Secretary of State Here to Check up Car Owners.

Under the new law which gives Secretary of State Louis L. Emerson authority to appoint investigators with power to make arrests for violation of the automobile laws, a round-up of violators was begun here today. Investigators Foreman and Cole are in charge of the survey.

While the investigators have power to arrest for violation of any of the automobile laws, they concern themselves particularly with violations of the law requiring licenses for automobiles and chauffeurs. Their purpose always is to co-operate with the local authorities in every way.

"The public is very generally observing the law requiring the obtaining license plates," Mr. Cole said, "but other sections of the automobile laws are not being so strictly complied with. This is true especially of the chauffeur's certificate requirements. In most counties where investigators have been sent to date, they have found great laxity in the observance of this section of the law. Under the law no boy under eighteen years of age is permitted to drive a car or truck for hire, and all persons who drive a car or truck must obtain a chauffeur's certificate from the Secretary of State. This applies to drivers of delivery trucks as well as to drivers of taxi cabs, service cars or private chauffeurs. The owner of the truck or car, not operated for hire, of course, is permitted to drive with out a chauffeur license, but anyone driving a car not his own for compensation must have a chauffeur's license.

"Another violation of the automobile laws which is very common is the operation for hire by automobile dealers of cars equipped with the regular dealers license plates. The dealers' license plates properly can be used only on cars for sale or used for demonstration purposes. A service car or car let out for hire must be equipped with individual license plates.

"The law also is very strict in requiring two license plates on every car, one in front and one in the rear. If a license plate is lost, application for a duplicate to the Secretary of State must be made at once."

Mr. Forman explains that in communities visited by investigators since the new law went into effect on July 1, the number of applications for chauffeurs licenses and for the issuing of duplicate plates where plates have been lost has increased nearly 100 per cent. It was estimated when the act was passed that these investigators would be able to increase the revenue from automobile licenses and chauffeurs licenses to the extent of at least \$250,000. Results up-to-date, it is declared, indicate that this figure will be exceeded. The cost of sending out the investigators is only a small percentage of this total.

\$4,700,735.76 INCREASE IN RECEIPTS

The first of a series of sectional conventions of managers of the great chain of the J. C. Penney company stores was held in St. Louis on Sept. 16th and 17th. Over a hundred managers were in attendance. Other conventions will follow at St. Paul on September 23rd and 24th, Portland on September 30th and October 1st, and Salt Lake City on October 7th and 8th.

Prevailing conditions as they are generally understood to exist, are not reflected in the financial report of this nation-wide institution, which shows that for the first eight months of this year the gross receipts were \$4,700,735.76 in excess of the figures for the corresponding period of last year.

President E. C. Sams attributes this increase largely to the fact that the public nowadays is shopping around and buying merchandise of quality at the lowest possible price. The purchasing power of such a tremendous organization as the J. C. Penney Company, he says, naturally makes possible the buying of selected merchandise of high quality so as to retail it at low prices.

COUNTY SUNDAY SCHOOL CONVENTION OPENS

The annual sessions of the Morgan County Sunday school convention opened at the M. E. church in Franklin Tuesday with delegates in attendance from all the schools in the county. The convention began with a devotional service and then some routine of organization was carried out. One of the principal addresses of the afternoon was by F. G. Blair, state superintendent of public instruction. Mr. Blair is so well informed along both educational and religious lines that he is always heard with a great deal of interest.

Rev. Mr. Burnie, state secretary of the association was announced for the principal address at the evening session.

The convention will continue in session this morning and this afternoon.

Patterson Baptist Church Had
Annual Dinner—Greene County
News Notes.

White Hall, Sept. 19.—A fund of \$500.00 is being raised equally at Roodhouse and White Hall for the purpose of oiling the road between the two cities. This is the busiest stretch of road in Greene county, but with the possible early advent of a state hard road to local commissioners are inclined to neglect maintenance work. It is rough, but not near rough enough to discourage speeding of a dangerous character. The Roodhouse committee consists of A. H. Cain and Frank Merrill, and the White Hall committee is A. E. Knight and S. G. Sykes.

Attorney W. L. Winn now realizes the strength that can accompany a kick in cranking an automobile.

The annual dinner of the Patterson Baptist church was held Saturday and the White Hall hungryites were there in full force. It is said that more than 350 people were fed, as these events are unusually splendid drawing cards, especially for the big stomachs at White Hall. A week previous they took in the M.

The close of the second week of school shows an enrollment of 700, of whom 193 are in high school. Good progress is being made with the two-room portable building that will afford room for still more pupils.

Dr. A. W. Foreman was taken to Jacksonville Friday to undergo an operation but it has since been decided not to undertake the operation. Dr. Foreman is past 81 years of age, and the fact that he intended going on the operating table furnished a most important piece of news. With the exception of slightly impaired hearing, he retains his faculties, and is in good physical condition, according to his own statement a few days ago. He is a man of great mental energy and correct habits, and this may be the contributing elements of his long and useful life with many more years in prospect.

Clay is now being hauled from the Anthony Seely place west of town, in wagons and delivered to the Ruckel pottery. The best quality of clay in this section comes from the field west of White Hall, where samples were obtained that were awarded first prize at the St. Louis world's fair. There has been little development of the clay fields west of town, practically all the supply for the White Hall clay works coming from the fields east of the city that is served by the White Hall industrial railway. It may be that deserved attention is henceforth to be accorded the valuable deposits west of the city.

FORMER RESIDENT OF ROODHOUSE DIES

Shepherd Vandoren Passed Away
At Home In Kansas City Sunday
Evening—Other News
From Roodhouse.

Roodhouse, Sept. 20.—Word was received by relatives here of the death of Stephen Vandoren, which occurred at his home in Kansas City at 9:45 Sunday night at the age of 53 years. Deceased was the son of the late C. C. Van Doren. He was born in the state of New Jersey but his boyhood was spent in Roodhouse, leaving this city about 25 years ago to make his home in Kansas City, where he had been in the employ of the Armour Packing Co.

Mr. Van Doren has been in failing health for some time. His wife, who was Mrs. Annie Berry, a sister of W. D. Berry, of Roodhouse, survives him with their two children, Marion and Charles, also the stepmother, Mrs. Margaret Vandoren Fisher, and half brother, Carroll C. Vandoren, both of Roodhouse, and one sister Miss Mary Vandoren, of Far Hills, New Jersey.

C. C. Vandoren and W. D. Berry left at noon Monday for Kansas City to attend the funeral.

William W. Merrill, who is a student at the Minnesota State University of Minneapolis, arrived home Saturday morning for a week's visit with his parents, Mr. and Mrs. Frank Merrill, before starting in the fall term of school. He came by the way of Chicago, from which city he drove to Roodhouse in company with a friend, B. C. Condit, who remained over Sunday. The latter drove back via Peoria, where he had business Monday. Mr. Condit is a graduate of the Minnesota University.

Miss Wilma Lurton, arrived today from St. Louis for a few days' visit with Roodhouse friends.

Mrs. Charles Hazelwood was taken to Jacksonville hospital last Sunday where she underwent an operation Monday for the removal of gallstones.

Mr. and Mrs. F. X. Simmons and Mrs. George Blair drove in last night from several week's auto tour in the northwest, during which they passed through seven states. They were delighted to strike some good old Illinois mud up near Peoria.

At one place in the northwest they asked a farmer when it had last rained there. He said "it was a year ago last April". At one place in the arid region they were compelled to pay for water the same as coffee or milk and it seemed harder to get.

J. H. Rimbey and wife came down from Jacksonville Wednesday evening to stay over night with their son, C. Y. Rimbey, and family. They went to Manchester Monday and will return home to Jacksonville, Friday. Y. Y. Rimbey and son, Floyd, visited the former's sister, Mrs. Jane Sink of Roodhouse Sunday.

The Mechanical Principals Involved in Grinding

—When an engine is made new every working part is accurately finished and fitted.

—When an engine becomes worn all the wear must be eliminated.

—We eliminate piston wear, wrist pin wear, ring wear, by new parts.

—We eliminate cylinder wear by grinding. At the same time we can grind just enough more to accurately fit the new piston.

—Therefore, there is a three-fold reason for grinding:—

1st—If new pistons are needed it is cheaper to grind the cylinder to fit the piston, than to fit the piston to the cylinder.

2nd—If the cylinders are worn or scored, it is cheaper to grind them true, than to buy a new block.

3rd—If an engine is losing power, thin oil in crank case and fouls plugs.

—It costs less to repair it than to continue to operate in that condition.

—We are living in the day of progression. Efficient, thorough and lasting repairs are the only kind of repairs worth while from any standpoint.

—Ultimately, neglect, extravagant, careless methods will cost the consumer more money than he has to spend.

—Think it over.

BOSTON WON FROM CLEVELAND IN EIGHTH

Boston, Sept. 20.—Boston fell on Uhl in the eighth inning today, knocked him out of the box after scoring three runs and made three runs off Bagby who succeeded him defeating Cleveland 7 to 4. Uhl had yielded three scratch hits until the eighth when Boston scored six runs.

Score: Cleveland 000 010 300—4 11 2. Boston 000 100 065—7 9 3. Uhl, Bagby and O'Neill; Penock, Russell, Jones and Walters.

ST. LOUIS DEFEATED PHILADELPHIA

Philadelphia, Sept. 20.—Philadelphia broke its losing streak for a 3 to 1 victory over St. Louis.

Score: St. Louis 000 000 010—1 7 1. Phila. 000 100 10x—3 6 0. Shocker and Severeid; Rommel and Perkins.

ST. LOUIS CAPTURES FIFTIETH GAME OF SERIES

St. Louis, Sept. 20.—A six run rally against Oeschger and Morgan in the seventh inning enabled St. Louis to win the first game of the series from Boston today 9 to 7. Nixon hit a triple and home run.

Score: Boston 003 030 100—7 13 3. St. Louis 200 100 60x—9 15 1. Oeschger, Morgan, Braxton and O'Neill; Sherdell, North and Clemmons, Almsmith.

HEAVY RAIN STOPS RACES AT COLUMBUS

COLUMBUS, O., Sept. 20.—One of the biggest cards of the present Grand Circuit season in which \$20,000 was to have been distributed came to grief here today when after two heats were contested a heavy shower fell, making the track a slippery mass of mud.

One heat of the 2:05 trot, the Capital City \$3,000 was won by Periscope and Guardian Trust won the first heat of three year old trotting, the Horse Review Futurity, Purse \$6,000 when the shower fell.

The time of both these miles was 2:04 1-4. Guardian Trust's heat in that time was the fastest trotted anywhere this year in a race by a performer of his age.

It also gave Belwin, his sire, his first 2:05 trot. The betting on Guardian Trust, the favorite, was very heavy, some tickets in the auction calling for \$1,400 and in them he sold for \$500.

Periscope was a prohibitive favorite to win the 2:05 event, barred in the auction, Miller if won sold for \$300 to the field for \$115.

The entire program will be taken up at 1 o'clock tomorrow and as much of it and the regular day's program will be finished as soon as possible.

Periscope was barred in the auction pools of the 2:05 trot—will try to finish program today.

CHICAGO CUTS GIANTS' LEAD

Frisch's Error Paves Way for Chicago to Score Winning Run—Wild Pitch and O'Farrell's Single Finishes Job.

CHICAGO, Sept. 20.—Chicago cut New York's lead to three games today when a single by O'Farrell scored Grimes who had reached second thru Frisch's error and a wild pitch in the tenth inning and gave the locals a 7 to 6 victory. The game was hard fought from the start, the Giants taking a three run lead by bunching hits off Alexander but Chicago overcame the lead by bunching hits off Barnes and driving him from the mound.

Alexander weakened and the visitors again bunched hits and tied the score when Kelly cracked out his twenty third homer of the season. After that the game became a pitchers' duel between Cheever and Nehf. The score: New York AB R H O A E. Burns, c. 4 0 0 1 1 0. Bancroft, ss. 4 0 2 4 6 0. Frisch, 3b. 5 0 1 1 2 1. INDEES BOOK GOOD GAME FOR SUNDAY

Myers Brothers Team Will Be Here Sunday—Defeated Indes Two Games Last Spring.

Frank Smith manager of the Indes announced yesterday that he had booked the fast Myers Brothers team of Springfield for a game next Sunday.

Myers Brothers have one of the strongest teams in their long career and is easily one of the best teams in Central Illinois. Early in the spring they defeated the Indes two games.

However, the Indes are much stronger and are playing much better ball now than they were then. They expect to reverse the decision on Sunday and be on the long end of the score.

Jansen and Cunningham will do the battery work for Myers Brothers while Grunker Seymour and Clark will do the heavy punting for the Indes.

The Indes are now playing good ball and deserve the support of the fans. One of the largest crowds of the season should be on hand next Sunday when the game starts. The lineup will be made known later.

The undersigned will offer at public sale at his residence known as the Baden farm 6 miles southwest of Jacksonville, 4 miles northwest of Woodson on Tuesday, Sept. 27, 1921, 140 head extra good Duroc Hogs; 47 head extra good cattle; 22 head sheep. This is all home raised stock. Grain and implements. Lunch will be served by the Ladies Aid Society of the Church of Our Savior.

While you might think that we are about to argue that you ought to eat Grape Nuts or drink Postum, we are going to do nothing of the kind, even if we do adopt the pet phrase of the late Mr. Post.
The thought we had in mind was this:
There's a reason for choosing People's furniture; in fact there are a number of reasons—reasons which we are glad to enumerate.
"Peoples" furniture is always of a dependable quality—it is always in good taste—it is always properly priced—it is always varied enough in scope and character to properly equip almost any sort of home.
"Peoples" furniture is not sold as so much merchandise—rather it is sold with our understanding and appreciation of the effect to be achieved in the home that it is to adorn.
And, just as though these were not reasons a-plenty we mention again the fact that

THREE EPOCHS IN WOMAN'S LIFE
There are three critical stages in a woman's life which leave their mark on her career—the first when she changes from a care free girl to a woman, the second motherhood, and the third the change of life. Most of the misery which comes to women thru ill health dates from one or another of these periods, but women should remember that Lydia E. Pinkham's Vegetable Compound is a reliable remedy and has been very successful in overcoming the ailments which may come to them at these times, as it is a natural restorative for such conditions. Nearly a half a century of success attests Lydia E. Pinkham's Vegetable Compound to the respect and confidence of every fair minded woman. (adv.)

MORGAN COUNTY ODD
FELLOWS TO MEET
